**Attachment A**

On December 2, 2020, a Confidential Source, hereinafter referred to as CS, who has been deemed credible and reliable based on multiple drug related investigations that have led to multiple drug seizures, was introduced to Alfredo SAENZ, hereinafter referred to as SAENZ, at a local restaurant in Pharr, Texas. During the recorded meeting, SAENZ informed the CS that he had narcotics in Reynosa, Tamaulipas, Mexico that he needed crossed into the United States for further transportation.

The CS met with SAENZ and another co-conspirator on multiple occasions to discuss the details of the narcotics transportation from Reynosa, Tamaulipas, Mexico into the United States. Ultimately, the co-conspirator informed the CS that the narcotics transportation was scheduled for December 21, 2020 or December 22, 2020.

On December 22, 2020, the CS traveled into Reynosa, Tamaulipas, Mexico in an undercover vehicle where an unknown male took custody of the undercover vehicle to load it with the narcotics. Shortly after, the undercover vehicle was returned to the CS who then crossed into the United States. While the CS was in line at the Hidalgo, Texas Port of Entry to cross into the United States, SAENZ was also in line to cross into the United States.

Once in the United States, DEA Agents met with the CS and located ten (10) bundles wrapped in wood style duct tape inside the spare tire that was underneath the undercover vehicle.

The ten (10) bundles had a total weight of approximately 11.2 kilograms. DEA Agents field tested two bundles which yielded positive results for cocaine. Additionally, the laboratory results indicated that the bundles contained cocaine.
